

Members Pictures & Church Announcements 2025 Issue 70

As the summer season comes to a close, it's time to gear up to welcome back our church members who have been away on vacation and get ready for new guests! It's time to start thinking about how we are going to come together as a church family. How we are going to work as a faith community to bring the love of Christ into the community and our church. This year it is very important to think about where your time as a member is being used. There will be monthly opportunities to donate your time. Maybe you want to be a liturgist, help usher, or even help teach Sunday School. There will also be opportunities with monthly after Worship lunches, cleaning the church, or even being a part of a committee. These are all great places to make and build lasting relationships. If you have pictures, you would like to share with us: Back to School, End of summer activities, Fall Decorating, etc., please send them to me and I will include in the next issue. Anything you would like to share, please send to me. All pictures are welcome.

During this time of worship, please know that we are available through email and phone messages. I am checking them regularly and response in a very timely manner. ***Please reach out if you need anything.*** If I can't answer your question, I will find out the answer and get back to you.

Please stay safe and healthy and know we are here for you.
