2026 Issue 78

Lent

I was reading an article about Lent and discovered the word “**Lent**” comes from an old English word for springtime. It made me think of it as a form of spring-cleaning for the soul. As the Church points out, we are all sinners and we all need repentance. We all need to confess our sin and sinfulness and ask for God’s forgiveness. As we anticipate a time of reflection during the Lenten season, we prepare our hearts for a time of reflection, repentance and a so-called “**Spring Cleaning for the Soul.**” It is also a time to start fresh, not to dwell on the past but learn from it, be thankful for today and look forward to the future. During this Lenten Season, start fresh, find new connections and be part of the solution.

If you have pictures, you would like to share with us: Easter activities, Family gatherings, Church events, etc., please send them to me and I will include in the next issue. Anything you would like to share, please send to me. All pictures are welcome.

During this time of worship, please know that we are available through email and phone messages. I am checking them regularly and response in a very timely manner. ***Please reach out if you need anything.*** If I can't answer your question, I will find out the answer and get back to you.

Please stay safe and healthy and know we are here for you.
